Mrs. Effa Manley, Secretary  
Brooklyn Eagles Baseball Club, Inc.  
101 Montgomery Street  
Newark, N. J.

Dear Madam:

Our Chief Auditor, Mr. I. B. Harkavy, has called to my attention penalty charges assessed against your account by reason of your failure to file reports for certain periods. These charges appear to cover periods when your club was not playing and when you consequently had no employment or payroll. In view of your lack of knowledge of our reporting requirements for such periods when you have no payroll, we will in this case withdraw the charges to our Non-Prosecuting Account File.

It is impossible for us, however, to take any action with respect to the interest charges set forth on invoice #42076 in the sum of \$26.10. This interest was earned up to the date of the receipt of your remittance and must be paid. We return herewith our Form U.C. 17 with a request that you attach your check to the original and make your remittance at once.

If the balance outstanding on your contribution report for the calendar year 1937 has not been remitted as this letter is written, we call your attention to our assurance that we would not press you for the collection of these sums until the 1939 baseball playing season was under way. At the same time we will look forward to the liquidation of this account within the next sixty days and are sure we will have your cooperation and respect.

Very truly yours,

*Millard E. Cuskaden*
